

**I'm your  
chauffeur for the  
day or night!**

This card entitles \_\_\_\_\_  
to a ride home from yours truly,  
so you can enjoy the party, barbie,  
or function, and not have to worry  
about speeding or getting home  
safely. I'm your designated driver  
for the night, and will make sure  
I drop you right at the door safe  
and sound. Merry Christmas from

**Wipe off 5. ΔC**

**I'll be your Dasher,  
so you can  
forget about the Blitzen.**
