The TAC is aware of the ongoing significant impact of COVID-19 on clients and on service providers, particularly in the substantial reduction in community access, therapy supports and other costs arising from the pandemic. To help ensure Attendant Care providers remain viable and retain their staff, the TAC is providing two financial support measures:

1. The 2022-23 2.53% indexation of TAC Attendant Care fees will take effect from Monday 7 March 2022 (brought forward from 1 July 2022)
2. A temporary 5% loading will be added post indexation to the Attendant Care fees, from Monday 7 March until 5 March 2023.

† Program Establishment Fee may be approved to the Service Provider when providing the TAC Client with 4 hours or more of Services per Billing Period, for a period of more than three consecutive months and is to assist with; Recruitment of new Personnel, Development of a Care Plan and Training Plan, as well as Compliance with OHS site audit requirements. This is a one off payment for the Service Provider to ensure the establishment of a quality care program on behalf of the TAC Client.

GST

* Item numbers denoted with an asterisk (*) include a 10% allowance for GST as TAC believes these are taxable supplies. If you are a provider and are **not registered for GST**, then the maximum claimable on these item numbers is 10/11ths of the corresponding Maximum Payment Rate. Providers who are not registered for GST are:

- Not legally permitted to charge GST; and
- Should indicate on all invoices submitted your status as 'not registered for GST'

A GST Registered provider **should not** add GST on top of the Maximum Payment Rate as an allowance for it is already included where applicable.

All other item numbers i.e. with no asterisk (*) are the Maximum Payments Rates regardless of whether you are registered for GST or not, as TAC believes these to be GST-Free supplies.
