GST

If your business entity is **not registered** for GST, then you must only claim the lower of the rates provided at each item number. This is the "Maximum Payment rate - Non registered for GST". A business entity **not registered** for GST:

- Is not legally permitted to charge GST; and
- Should indicate on all invoices submitted your status as 'not registered for GST'

A business entity that is **registered** for GST should claim the higher rates provided at each item number. This is the "Maximum Payment Rate - Registered for GST". Where TAC believes an item is a taxable supply, an allowance for GST has been factored into the payment rate. You should not markup GST on the Maximum Payment Rate quoted for a GST registered entity.
