

## Joint medical examinations and reports fees

The TAC has agreed to pay 'reasonable fees' for Joint Medical Examinations. Please refer to the [JME Policy](#) for considerations when determining reasonable cost, as the amounts below are to be used as a guide.

In response to COVID-19 the TAC introduced temporary funding of telehealth services to ensure clients can still access the treatments and services they need related to their transport accident.

**Effective 1 July 2023**

### *For examinations performed on or after 1 July 2023*

#### GST

If your business entity is **not registered** for GST, then you must only claim the lower of the rates provided at each item number. This is the "Maximum Payment rate - Non registered for GST". A business entity **not registered** for GST:

- Is not legally permitted to charge GST; and
- Should indicate on all invoices submitted your status as 'not registered for GST'

A business entity that is **registered** for GST should claim the higher rates provided at each item number. This is the "Maximum Payment Rate - Registered for GST". Where TAC believes an item is a taxable supply, an allowance for GST has been factored into the payment rate. You should not markup GST on the Maximum Payment Rate quoted for a GST registered entity.
